THIS WAS THE ROOT OF EVERYTHING, THE DEBUT WORK OF TAKAHASHI SENSEI, A NOSTALGIC MEMORY
MY NAME IS TSUBASA TARO
"EVEN IF MY RIVAL IS A SUPER GOALKEEPER, I WONT LOSE"
31 PAGES FULL OF ACTION
WINTER, 1980. WITH THE PASSION OF 19 YEAR OLD AUTHER.
YOICHI TAKAHASHI

TSUBA-

SHUTETSU

TSUBASA RUNS RIGHT TOWARDS THE GOAL AND DOESN'T SEEM TO HAVE ANY INTENTIONS OF STOPPING

TA-
RO!

(THIS IS A FICTIONAL WORK, AND ANY RESEMBLANCE WITH REALITY, BE IT THE CHARACTERS OR THE FACTS, IS MERE CO-INCIDENCE)

NANKATSU'S NO.10 RUNS FORWARD ALONE.

TARO
!!

CAPTAIN
!!

THIS BOY WAS BORN TO PLAY SOCCER.
HIS PASSION HA REMAINED INTACT!!

In this Championship he's in perfect shape. He's end up all the games unscored.
Beware, even if it's all soaked. Don't loose sight of him til the end!
Defending, as you know, the most promising Goalkeeper in all Japan, Wakabayashi.

A shoot from outside the penalty area; it's said nobody has scored from that distance
COME ON TARO!!
And there is nothing Wakabayashi fears more than...

Q&A

Tsubasa's Drive Shoot is something awesome! By the way, have you thought in the next fatal shoot? Will it be blocked?

A

Tsubasa is only in secondary school. I'm sure from now one there will be new shoots developed.

Q&A

Q

I am a great Misaki fan. Are we not gonna see the Golden combi of Tsubasa and Misaki again?

A

I am sure, in the future. Misaki is not a character who dissappears like that. I don't know if this makes you feel better...

This is a man-to-man with the keeper...

Tsubasa shoots..

Wakabayashi doesn't let himself be caught off-guard and jumps!

He did it! Nice shoot!
First round of the Tobu region eliminatory in the National Championship between Secondary Schools.
Well played.
End of the game!
前半 1 0
後半 2 1
Well done, Captain!
Look at that, they get along as usual...
Thanks !
Here is your towel, Taro.
We got to the second round!!

Q&A

Q

The commentator always says "Tsubasa-kun" instead of "Ohzora-kun". Is there any profound reason for this?

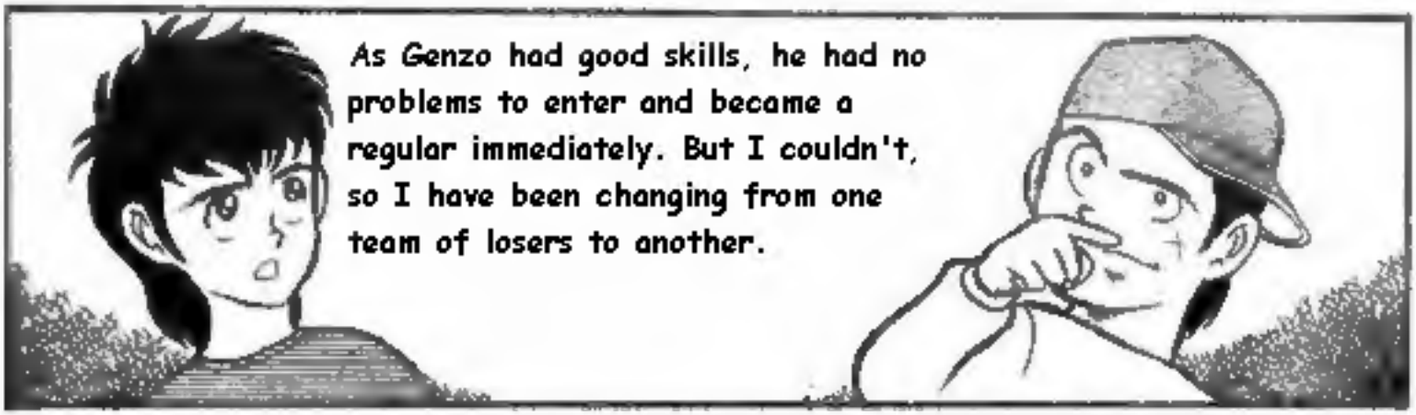
A

No, nothing in particular. Just that Tsubasa is shorter than Ozora. It's a matter of sound.

What's with this jerk? His name has got too much to his head!
Well, at last do your best to show your face in the final game.
If that's the case, I won't be beaten either in the last game of this edition of the Championship.
Fuhn. And with this guy in you have won that game?

I can't really see him as my rival.
¿Eh?
It means you're rivals by chances of destiny...
But I didn't know that Tsubasa and the famous Genzo Wakabayashi were childhood friends.

Ok, next, number 16.
キッカーズ入団テスト
When we were in Primary, Genzo and I took part in a testo to enter a Soccer team called "Kickers".



As Genzo had good skills, he had no problems to enter and became a regular immediately. But I couldn't, so I have been changing from one team of losers to another.

It's useless to talk about such old stuff.
Good! We got as many goals as players we have.

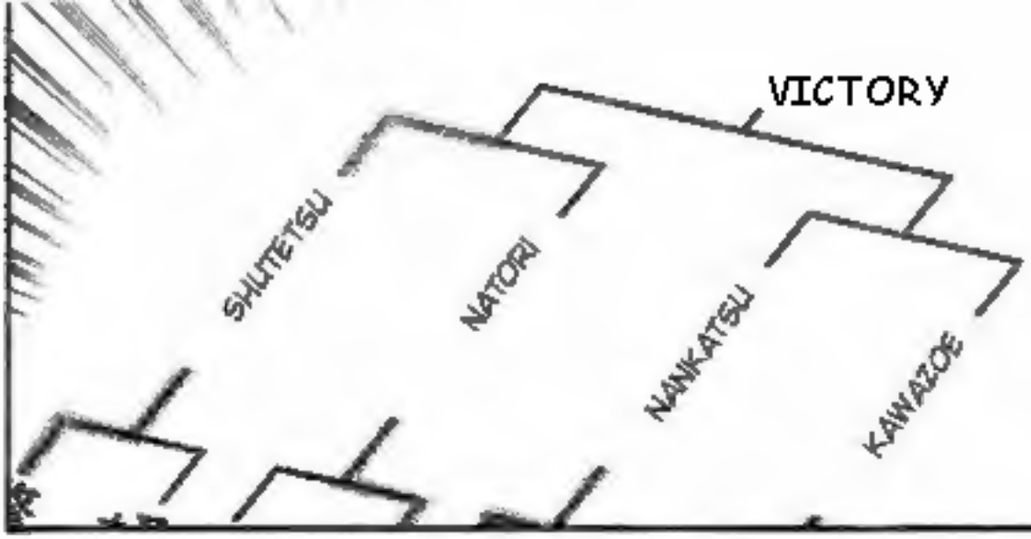
We lost all the games with a big difference in the score.
I've heard something of the sort.
Did you know that he has never been scored from outside the penalty area?
It's the same in Secondary. Since he's entered Shutetsu, the door to fame in soccer, he's gone again one step ahead of me.
No matter how much I tried, he stopped every ball. As if I were fighting against a wall
Tsubasa. ..
In any case, I don't think I can defeat Genzo.
Enough, Tsubasa. It's not like you to talk in such a way.



Shutetsu team with Wakabayashi has reached the final with no major problem. Nankatsu, too, has won up to the semifinal.

Q&A

Q

What kind of life does Roberto have in Brasil?

A

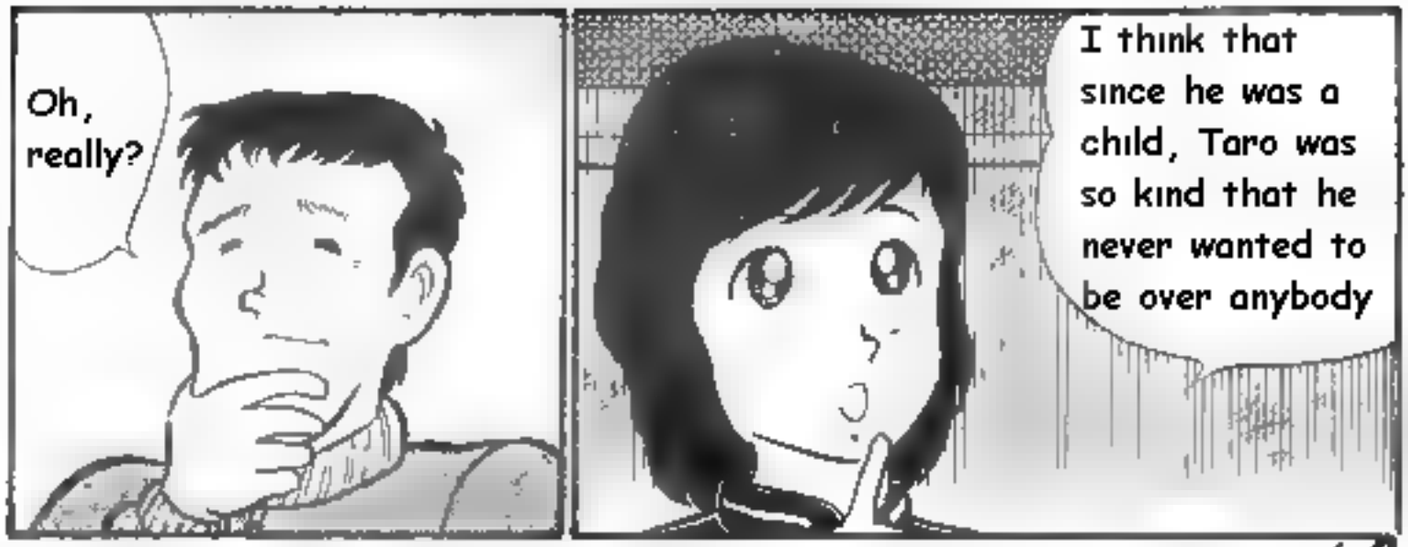
THAT'S SECRET

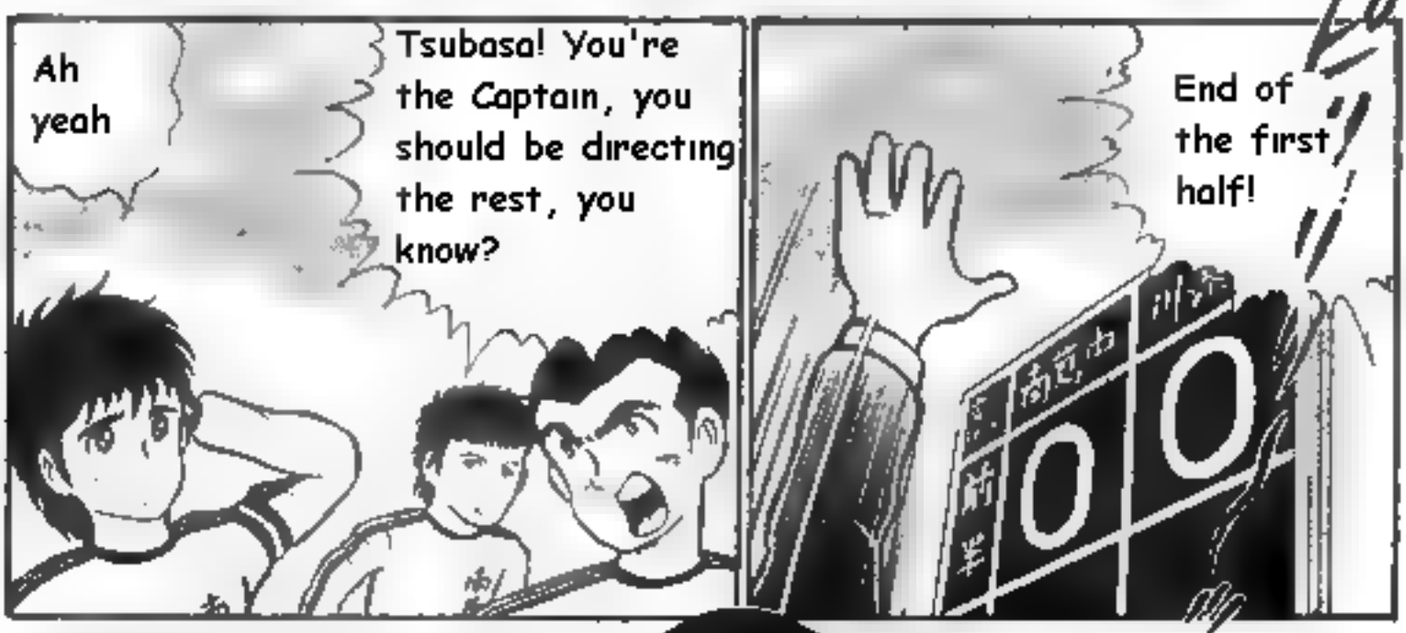
^_^

Q&A

Q

Mitsuru Sano's hair cover his eyes, how can he possibly see the ball at all?





A

Though covered, he can see it from an angle Besides, the ball is below so Is that a good explanation ?

I dunno
Don't you think so, Coach?
That's why he doesn't push far enough and lacks in fighting spirit to get the victory
Usually Taro is too nice

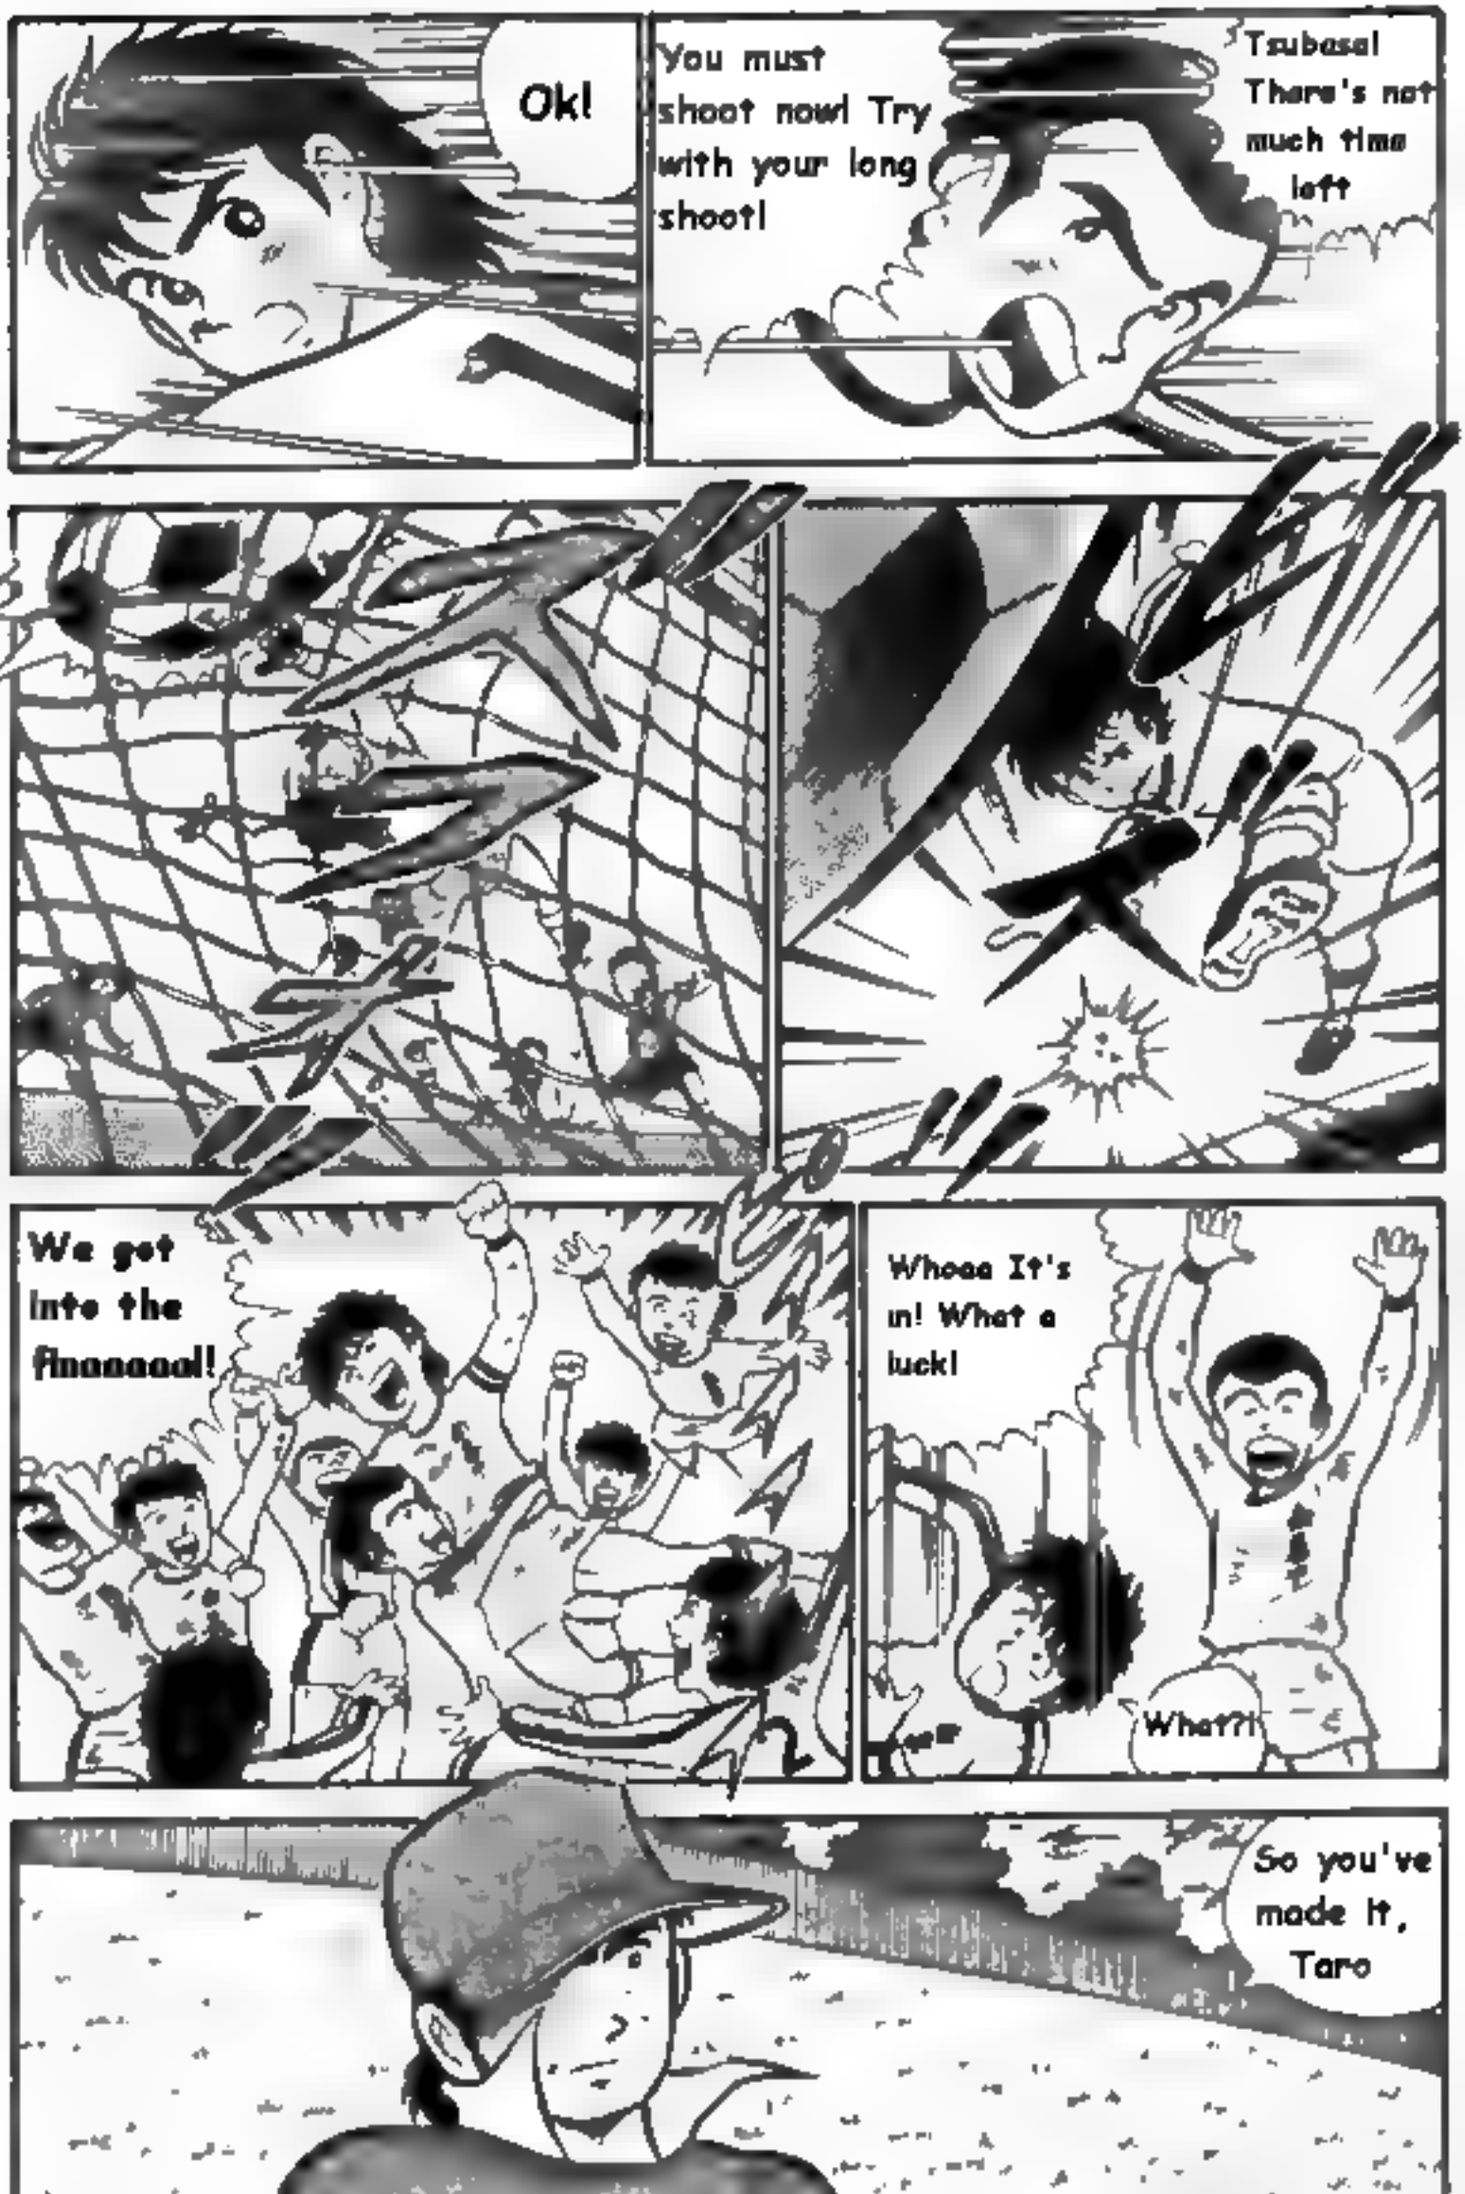
Q&A

Q

I like Kisugi very much but I have a question
He's had his hair permed since he was in primary but doesn't it go against the School Policy?

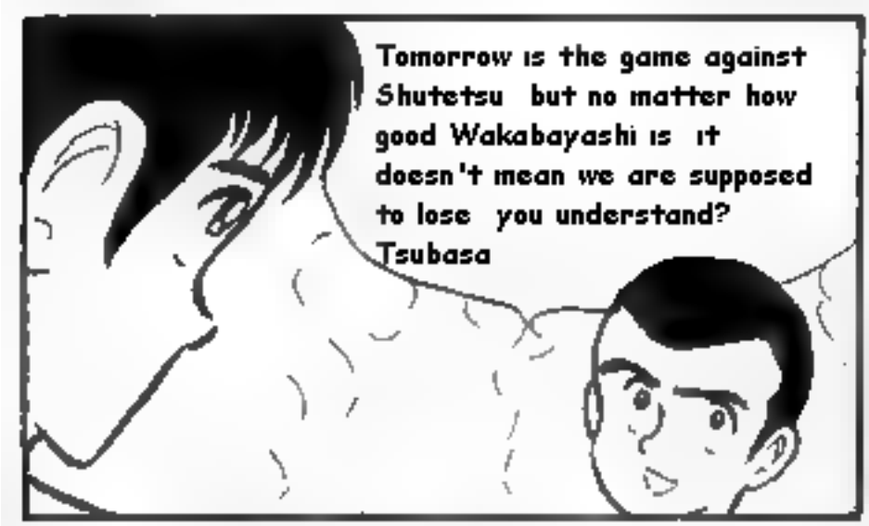
A

Excuse me, but he's got natural curly hair!!



Ok!
You must shoot now! Try with your long shoot!
Tsubasa! There's not much time left
We got into the finaaaaal!
Whoaa It's in! What a luck!
What?!
So you've made it, Taro

Ha ha ha ha If you're tired and use our baths, tireness dissapears completely
Me neither
I didn't know that Ishizaki's house was some Public Baths



Tomorrow is the game against Shutetsu but no matter how good Wakabayashi is it doesn't mean we are supposed to lose you understand? Tsubasa

Taro
Yes

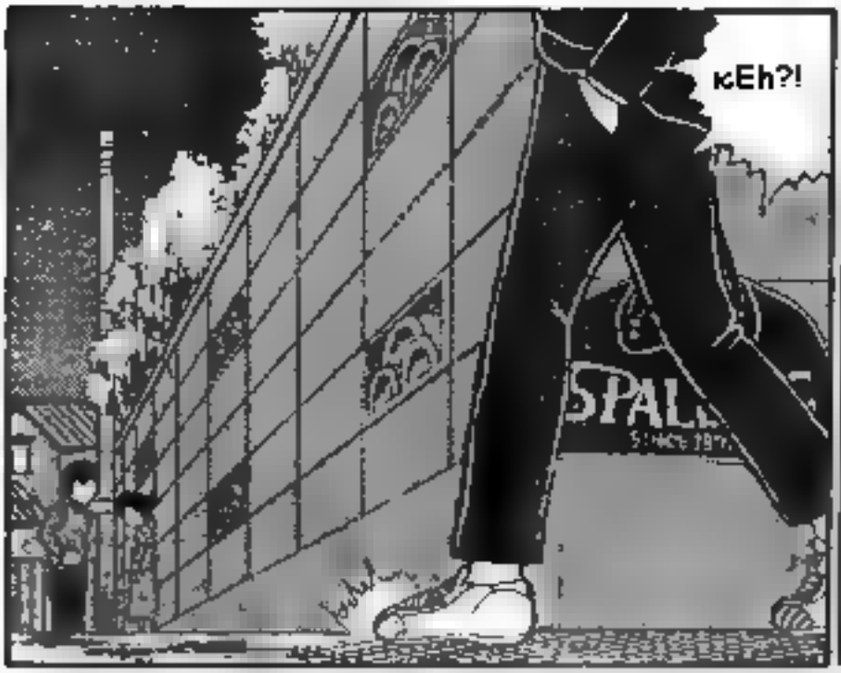
We must give our best tomorrow!
(Yeaaaaaah)

Yeah understood

Q&A

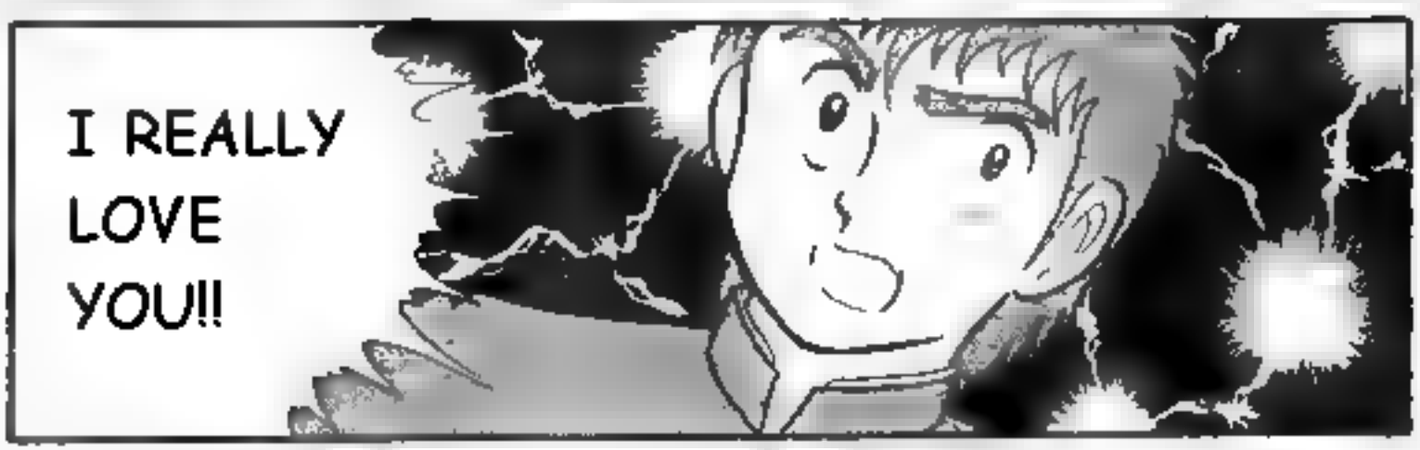
Q

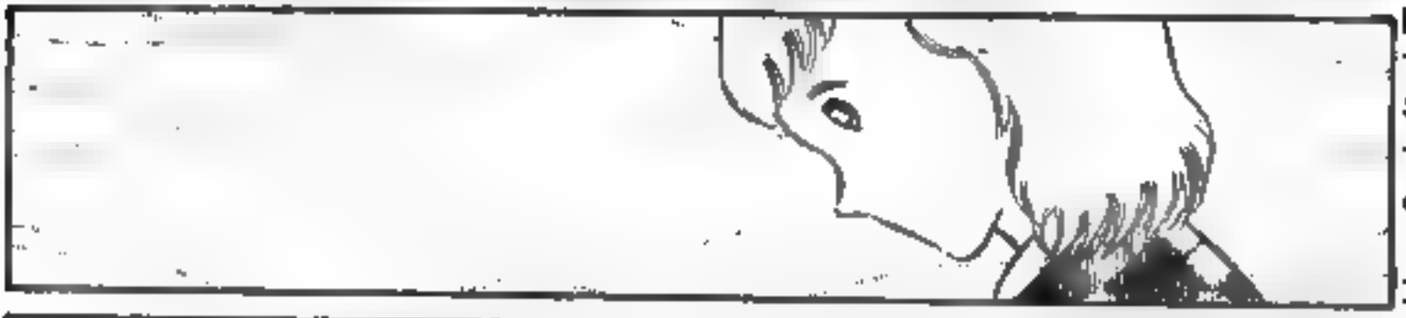
Takahashi-sensei do you play soccer? If so which is your position? Don't tell me it's midfielder like Tsubasa is it?



A

I am in the Shueisha Soccer Team called "Wings" My position Right wing Ah! And I am in the baseball team with the same name too





Q&A

Q

Why did Tsubasa reject Toho's offer when they were willing to pay him from the School fees to the Living expenses?

A

I would have accepted

Because he liked Nankatsu city a city that likes soccer

Bah
I won
Before we started playing soccer, the three of us got along very well
Come on! You can't beat me even if you try together?
Waaah, I am first!

(Note: there is no page missing this comes back to the game in the beginning of the story which is the final now you know)

Even the fighting spirit of Tsubasa is being useless This part stays like the previous 0-0
Wakabayashi has been one second faster and caught it!
Eh?!
Damn it!
Tsubasa!

It seems that Tsubasa has got badly hurt in the leg in the last clash with the keeper He's getting to the bench
Taro
I haven't scored even in the man-to-man fight
Taro-chan!
RIGHT!
Coach, we need a change!
PLEASE, WAIT!

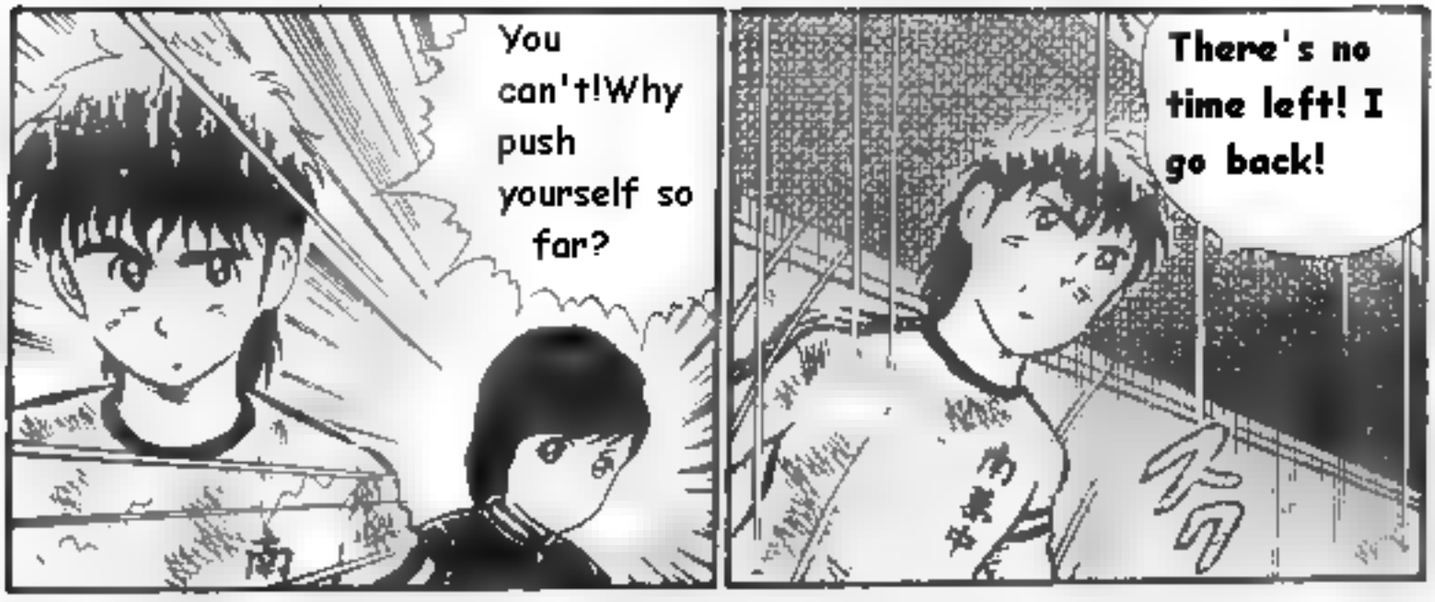
Please, Coach!
But you can't Taro-chan
She's right you can't play Tsubasa
It's nothing serious A bandage will do
How can he play with that injury!
Coach!
OK Yamazaki take care of his bandage quick!
All right? We have to fight for Tsubasa too!
Oh, Nankatsu doesn't change the player They will fight just the 10 of them!

You should go to the doctor
I can't! It won't stop bleeding
Ugh!
Aki-chan, just bandage it! Please, quick!
In this soaked final both teams are fighting to death!
The game continues Both Shutetsu and Nankatsu are giving their best

Q&A

Q

Takahashi -sensei, who is for you the character more alike to you?

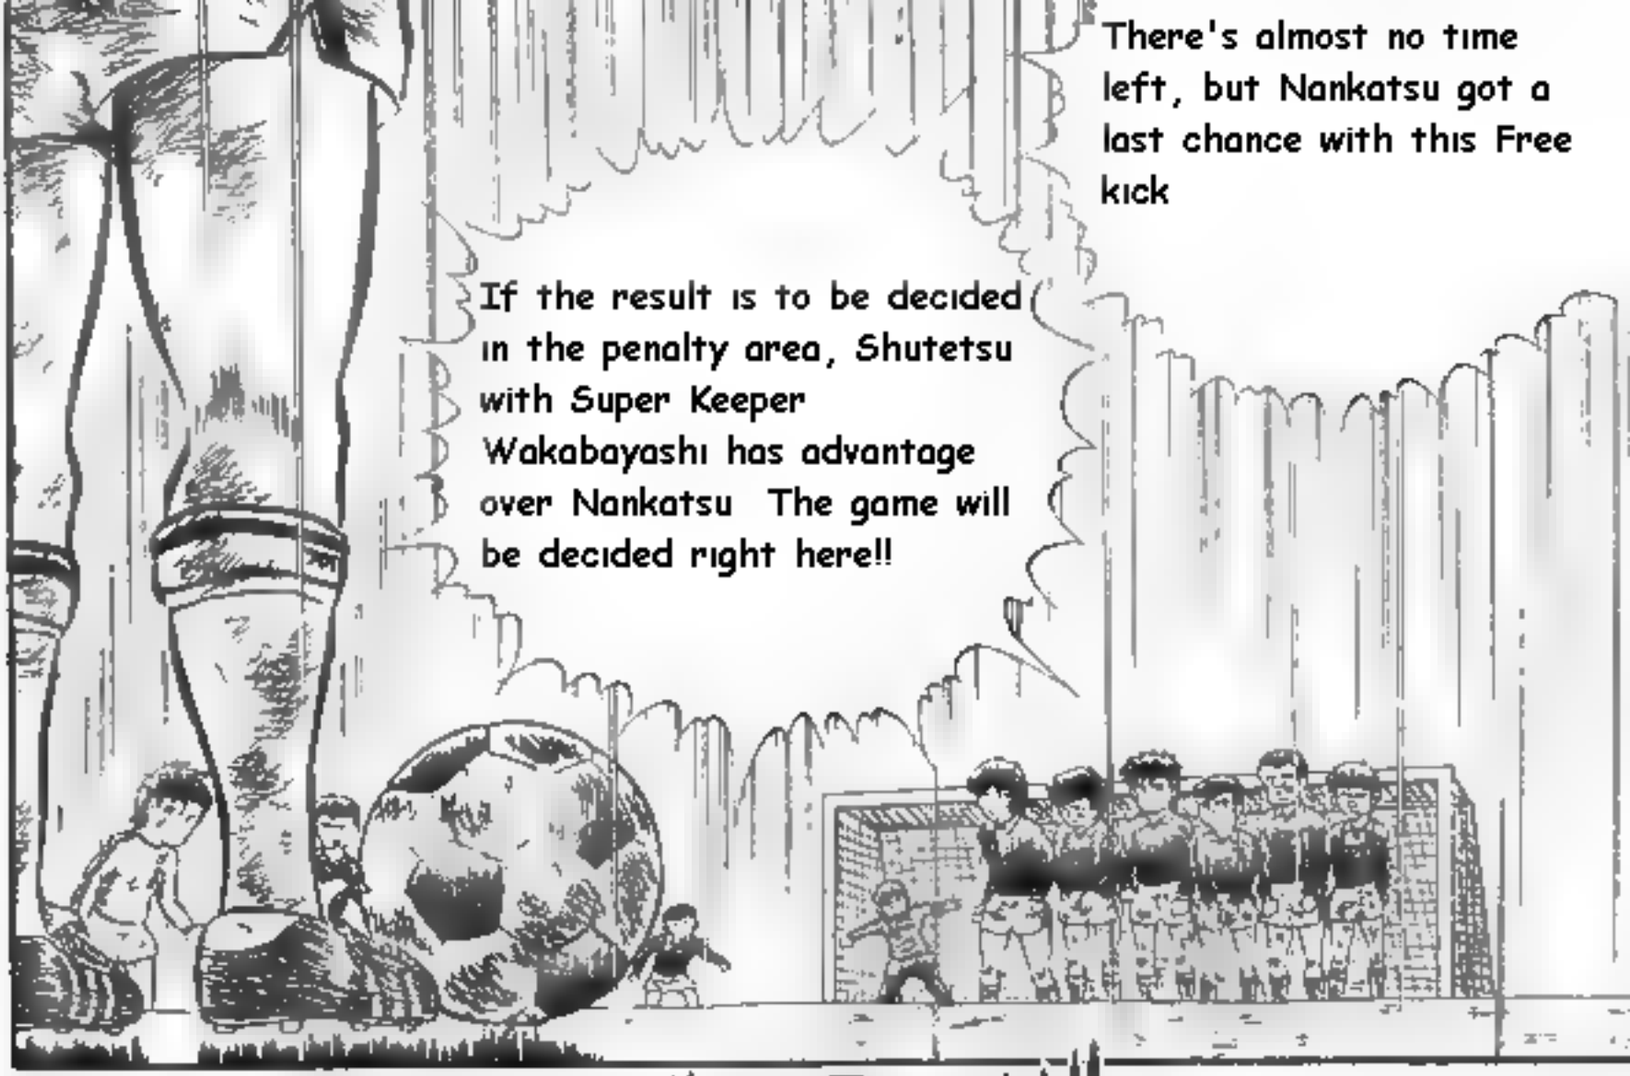


A

Tsubasa Nevertheless, the protagonist Since he is the one I draw most, his character is getting closer to mine

It's been so humilliating Losing to Genzo has been so humilliating
I've had to suffer the humilliation once and again unable to do anything else
But Tsubasa, leave it for this time You can try it again in high school!
That's why I made him Captain!
Coach !
Yamazaki, didn't you know? Tsubasa hates losing more than anybody else

Taro-chan!
No way!
Eh?
Aki-chan I don't want you to give you up to Genzo
That's why
But even if you lose, it's you I love! That's why
Aki-chan



There's almost no time left, but Nankatsu got a last chance with this Free kick
If the result is to be decided in the penalty area, Shutetsu with Super Keeper Wakabayashi has advantage over Nankatsu The game will be decided right here!!

Wait!
Alright! I'll shoot directly!

What are you talking about? You can't do it with that leg!
I'll do it!

Get off, Ishizaki!It's a captain's order!
Taro-chan
Taro
Tsubasa
Captain
win at all costs
However, Aki, a man must
Don't worry. I'll certainly stop a shoot from outside the Penalty Area.
But Captain.
Eh?!
I don't need the barrier

And...Wakabayashi has taken the barrier away. This last battle will be a man-to-man fight!

Tsubasa, the captain, is the one to shoot the Free kick in spite of his injured leg.

The victory is mine, Taro!!

Tsubasa shoots violently with his right leg!!

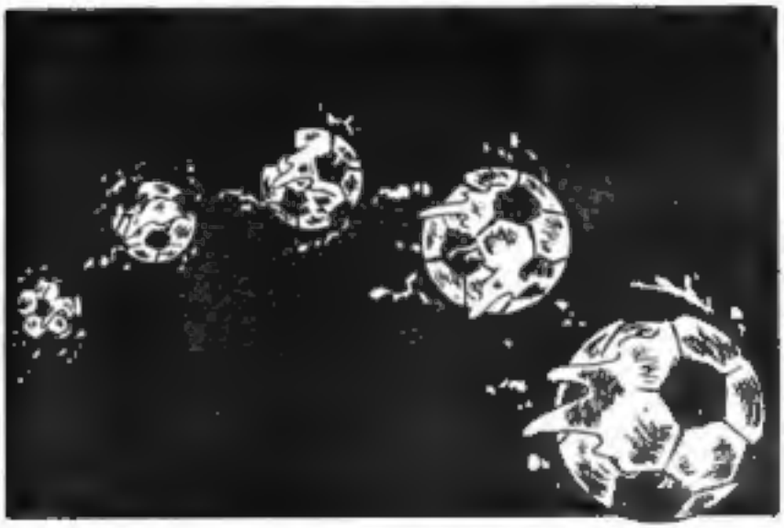
SHUUUU

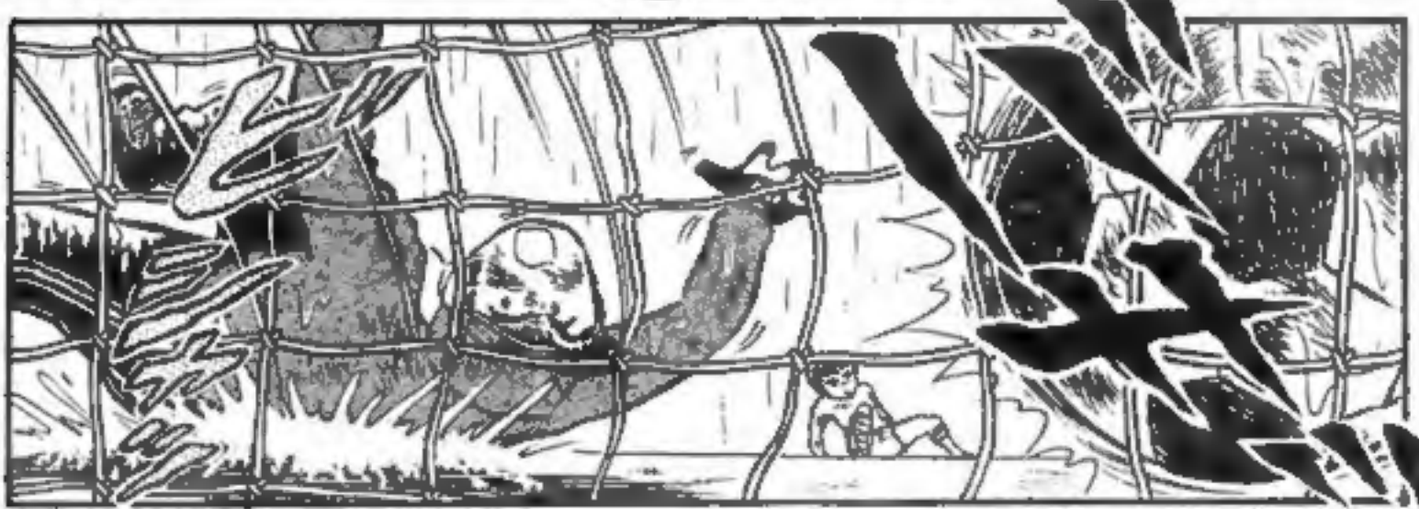
Tsubasa starts running!!

TARO

GENZO

Ah!!





Captain
We did it, Tsubasa!
In this moment sounds the whistle for the end of the game Nankatsu is the champion!
Taro-chan

Genzo
Taro...

Sure.
We'll play again one day, Ok?
キャプテン翼 ... The End...? ^_-
